THE GREAT CONJUNCTION IN AQUARIUS

HERALDING THE NEW AGE

On December 2020, Jupiter and Saturn unite in the sign of Aquarius, forming a configuration called a Great Conjunction which only happens once every twenty years. Great Conjunctions are often longterm beginnings or foundations formed out of unstable circumstances. In the sign of AQUARIUS, this is likely to mark a major technological boom that will culminate on 2030 and last until 2040, the next Great Conjunction.

Over the next ten years, we are going to see our world innovate unlike never before, particularly in the fields of AI, technology, science, space travel, UFOs, networks, and the Internet. Major Universal truths will also be revealed as we welcome the New Age of Aquarius. The old world will soon come to an end, paving way to the new order of things.

Number 441 = perfect square of 21 ($21 \times 2 = 441$), serving as a foundational matrix in both numerology and sacred geometry. In numerology, the digits sum to 9 ($4+4+1=9$), symbolizing completion, humanitarianism, wisdom, while the number itself represents two completed foundations (physical and relational) ready for a new beginning. In sacred geometry and esoteric systems like the Law of Time, 441 is viewed as a 21x21 matrix representing cosmic synchronization and divine order. It is the reverse of 144 (another perfect square, 12×12), associated with the _____ Grid and 144 Hz healing frequency), highlighting a geometric symmetry where both numbers reflect wholeness, balance, and the blueprint of the universe.
